JULY 28-30, 2016

Back in the 80's, when the first tee shot soared into the rarified air, few would have envisioned celebrating our 30th Anniversary in 2016. On July 28-30, that dream will become reality as players, guests and tournament alumni from around the nation will converge to the place where it all started, \$8 million dollars worth of scholarships later. The most comprehensive list of activities which "cherry pick" the favorite activities over the years, coupled with new experiences, will welcome participants at the 30th Angel Fire HSF Invitational. From Casino Night, skydivers, fireworks, on course Hospitality Stations and a full array of guest and children activities, including mountain BBQ's, Fishing Derby, wine tastings and more, this is a must event for golfers and guests alike. We are accepting a 34 maximum team field and the tournament is expected to sell out, so sign up today, play it cool in the pines and see why this is the best golf event of its kind in New Mexico, as we commemorate 30 years of investing in the future of New Mexico, through the education of its youth.

Congratulations to the NM Alliance for Hispanic Education and the HSF scholarship program. Through your efforts you have given students the opportunity to attend college. The golf tournaments, in particular your 30th year at Angel Fire, are a testament not only to the finest golf tournament experience in the state but you have created an extensive network of people to have fun and be part of an extremely important program. I am very much looking forward to 2016 HSF season.

The experience with the HSF Golf Tour has been one of the best in my life. Not only does one gain the satisfaction of knowing you are helping many young deserving students with their education, but you also develop lifelong friendships while enjoying the great game of golf.

The HSF Golf Tournament Series is the premier golf event in the State of New Mexico. The UNM Department of Athletics is proud to be involved in such a great partnership between athletics and education. Through my participation in this event I have made great friends and have been able to play some of the most picturesque golf courses in New Mexico all while supporting educational opportunities for the young people of our State.
