

## MAY 2021 AAFPO BOARD ELECTION UPDATE

- In June of 2020, the AAFPO Board appointed five directors to fill vacant seats.
- The Board has since acknowledged in open meetings that, in accordance with their Bylaws (Art. VI, Sect. 5), these appointed directors shall serve until the next election in June, 2021.
- This week, the Board signaled its intent to reduce the number of seats open for election from six to three.
- The only indication that the Board had reached this decision was an unannounced update to the AAFPO website. See: <https://aafpo.org/aafpo-board-of-directors/>.
